

# Central Safety Group Meeting

February 2017

## Demystifying Psychosocial Risk

Book Now

**What: Demystifying Psychosocial Risk**

**Who: Dr Natasha Lazareski, Managing Director, Psyflex**

**Details:** The emphasis on psychosocial risk in the workplace is fairly new in the area of health, safety and wellbeing.

Occupational health specialist Dr Natasha Lazareski, who specialises in this area, will outline what psychosocial risk is and how to assess it. She will also provide insight into some of the latest developments in this field.

Natasha will also talk about some of the most powerful and effective things organisations can do to control the impact of work-related stress and improve the mental wellbeing of their employees.

She'll discuss how taking action can improve workplace environment and culture by reducing things such as bullying, conflict, complaints, absenteeism, poor teamwork and mental health issues.
