**What:** Web safety – are you taking risks?

**Who:** Michael Connory, CyberCertified

**Details:** Cyber crime is at an all-time high with so many people working from home and shopping online. Most of us could do a lot to improve our cyber security.

You can receive top advice on this and have your questions answered by Michel Connory of CyberCertified, one of Australia's leading voices in cyber security, in a midday zoom presentation on Tuesday 17 November.

Michael's session will be interactive and viewers will receive plenty of tips they can utilise.

This is part of a series of zoom presentations by Central Safety Group while in-person meetings are suspended.
