What: Recent research results in OHS and their relevance in the workplace

Who: Dr Marilyn Hubner, Manager, OHS Body of Knowledge

Details: Some recent research findings in OHS and their relevance in the workplace will be discussed by Dr Marilyn Hubner in a presentation to Central Safety Group on Tuesday, 8 August.

Marilyn is Manager of OHS Body of Knowledge (OHS BoK) with the Australian Institute of Health & Safety (AIHS), which publishes collective knowledge that should be shared by generalist OHS professionals.

A leading professional in safety education and training, Marilyn promotes the importance of safety professionals being engaged in evidence-based research and applying it in their workplace programs.

Her presentation will be followed by questions and discussion.
