Who: Helen O'Keefe, Director, HOK Talent Solutions

Details: What truly differentiates top candidates in today's current employment climate? Expert in health & safety recruitment, Helen O'Keefe, will delve deeply into the critical factors driving recruitment decisions for senior HSW roles.

Helen will begin by discussing in-demand skill-sets. She will provide a detailed breakdown of the technical expertise and strategic capabilities that employers are actively seeking. This goes beyond foundational HSW knowledge.

Helen will also explore essential behavioural competencies, including the soft skills and leadership traits that are predominantly requested when she is recruiting HSW executives reporting to C-Suite leaders.
